### Aline Beauné Montagny Villages

VARIETIES: 100% Chardonnay

CLASSIFICATION: Montagny Villages

VINEYARDS: 2 sites in Montagny. The first, Rougeriaux, is a North facing plot in the highest part of Montagny. Soils are heavy marls. Vines are 30 years old. The second is in the lowest part of the appellation and has clay soils with limestone pebbles. It is Northeast facing and has slightly older vines, over 35 years old.

FARMING: Sustainable transitioning to organic with some biodynamic principles

WINEMAKING: The first plot from higher elevation is made entirely in tank. The second plot from lower elevation is made in entirely in 350L barrels of multiple uses. The two are then blended.

ANNUAL PRODUCTION: 3800 bottles
