

VIÑA ZORZAL

2015

Tempranillo

**Viña Zorzal Navarra Tempranillo**

Viña Zorzal aspires to recapture the wines of their ancestors, and although Rioja dominates the conversation when it comes to Tempranillo, the variety belongs to the history of Navarra as well. Fresh fruit, medium body, balanced tannin and acid, this is simple in the very best way. Very fun to drink and very easy to finish the bottle.
